Community Technical Schools. I have gone through and there have been several amendments put in by the Budget Committee to allow the State Board in these areas. As I understood the intent of the Legislature was to remove them from that kind of an authority. So if you will look at Section 15 of LB 609 you can see what I am doing. That section reads, the Board of Trustees of the Nebraska State Colleges is hereby authorized to make life safety and facility preservation improvement to the Community Tech...Technical Community Colleges with the total project cost not to exceed \$271,892. This is in compliance with our attempts to take the language of the Board of Trustees involvement with the Community Technical Schools out of the appropriation language and I assume since that was consistent with what the majority of the membership wanted to do with the total appropriation fund that this should be done at this time and I'd ask that you'd bring the bill back and let's remove that.

PRESIDENT: The question is, shall the bill be returned to Select File for specific amendment? Record your vote. Please vote. Have you voted? Record. Senator Frank Lewis.

SENATOR F. LEWIS: Well, Mr. Chairman, I would assume that we had better have a Call of the House on the issue and understand what we are doing. Senator Goodrich is telling me that it is all right that.....

PRESIDENT: You move that the House be put under Call?

SENATOR F. LEWIS: Yes, I do...

PRESIDENT: The question is, shall the House go under Call? Record your vote. Record.

CLERK: 24 ayes, 9 nays to go under Call.

PRESIDENT: The House is under Call. Please stay in your chairs, Senators, and record your presence. Please record your presence. Would the Sergeant-at-Arms find the balance of the membership? Senator Frank Lewis would you record your presence. Senator Kime. Senator Goodrich. Senator Kelly does also. Would you record your presence, Senator Burbach?

CLERK: Senator Kelly voting aye.

PRESIDENT: Senator Savage.

CLERK: Hasebroock voting aye.

PRESIDENT: Senator Cook, record your presence.

CLERK: Senator Mills voting aye.

PRESIDENT: Senator Burrows, record your presence. Senator Dworak votes aye. Record your presence, please, Senator. Senator Bereuter, we are under Call. Senator Dworak, we are under Call. Senator Clark.

SENATOR CLARK: Well, here, no one is doing anything. I move the Call be raised.

PRESIDENT: The question is, shall the Call be raised? Senator Lewis.
